

# VETTING PROCEDURE

- ◆ Vetting will commence by the advertised time.
- ◆ Entire bitches only will be vetted
- ◆ All entire bitches on the grounds either competing or not will be vetted
- ◆ Two (2) Vetting Officers will be present
- ◆ A clean white tissue will be used to wipe the bitch's vagina
- ◆ The soiled/used tissue will be put into a labelled (with the bitch's details) sealed plastic clip lock bag and given to the Trial Manager
- ◆ The Trial Manager will be informed immediately of any bitches in oestrus or showing a coloured discharge
- ◆ Any bitch that is found to be in oestrus or showing a coloured discharge will be vetted out of the competition and will be required to be removed from the precinct of the trial area.
- ◆ Once all entire bitches are vetted the Vetting Officers have completed their duty
- ◆ There will be no bitches vetted after the advertised time of completion, which will render the bitches ineligible to compete
