## \*6 Buy, Swap and Sell Show 9\*

We all have leads, collars, rugs, show clothes, crates etc that we no longer use.  
Want to cash them in?

This year's show will be a **"Buy, Swap and Sell Show"**

Every exhibitor is invited to set up a table (or lay down a mat) in front of their gazebo to display items you no longer want or use. We will leave space for this when setting up rings. Cost will be a \$5 donation to Clarence Dog Sports and then you can sell your goods as you like.

Start putting aside your unwanted treasures now!

# Catalogue Number prize

Orivet have very kindly sponsored our show with 9 x \$150 gift vouchers, we have decided to give all our exhibitors a chance of winning, each day Exhibitor catalogue numbers will be drawn by General Specials Judge from selected groups below

Friday..... from Utility and Hound groups

Saturday..... from - Toys, Terriers and Working groups

Sunday..... from - Non -Sporting and Gundog groups.

Jerry who runs our Raffle will raffle the remaining 2 vouchers along with many other donated prizes from our sponsors each day, all tickets will then go back into the major draw on Sunday.

Our Club also has 3 Orivet collection agents at our show Mandy Sansom (Club President), Lyn Gregor (Vice President) & Sue Mears (Show Secretary) for anyone wanting to have their dogs swabbed this is a free service and we will be happy to do swabs for you, just ask at the secretary's tent.

## BENEFITS OF DNA TESTING

- *Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals*
- *Allows you to screen for relevant diseases – assess genetic status (CLEAR or CARRIER or AFFECTED)*
- *Screens for desirable traits such as coat colours & hair length*
- *A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees*
- *Focusing your testing on your breeding stock will allow you to predict outcomes for future litters*

## SO SIMPLE & PAWFECT...

*DNA collection is via a non-invasive cheek swab*

*Test at any age*

*Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed*
